A LONG WAY TO TRAVEL?

Our Open Days are hosted at High Wycombe and Castle Donington to make it easier for visitors to attend. If travelling in a single day isn't practical, we can help make your visit more comfortable. We have arranged preferential rates at nearby hotels, which can be added to your account for convenience.

When booking your visit, let us know if you might need to stay overnight. We will provide full details of the hotel options and can make the arrangements on your behalf if you wish.

STAY OVER AND JOIN CAME FOR DINNER

If you are staying overnight, whether through our hotel booking or on your own, we would be delighted to invite you to dinner at a local restaurant near the branch. Simply register your interest when booking and we will send the venue details and arrangements closer to the event. It is a great way to enjoy a little extra CAME hospitality the evening before your visit.
