

# SOUNDER

High Quality Sounder Beacon

## Overview

- High Quality, High Output
- Excellent 360 degree visibility of the high performance beacon
- Easy Installation
- Simple Wiring to Handset
- Indoor Surface Mount

## Technical characteristics

LEDs	8 red, high brightness
Sound Output	93.8 dBA (typical)
Power	30mA peak at 13.8VDC, 4mA quiescent at 13.8VDC
Temp. Range	-20 C to +70 C
Flame Retardant	Constructed from ABS flame retardant plastic
IP Rating	IP 21C
Dimensions	140mm diameter, 50mm height
Weight	0.25Kg
