DIGITAL NOTICE BOARD

DNB

Digital notice board solution for residential settings and apartment blocks

The CAME KMS Digital Notice Board works in conjunction with the KMS SimpleKey Web access control, to provide residents with up to date messaging and advice.

- Supplied as a standalone product or as part of an overall CAME KMS SimpleKey system.
- Compatible with most types of SimpleKey on site equipment whether existing or new.
- Administration is via the SimpleKey Web interface and is accessible from any internet enabled device.
- Vandal Resistant wall mounted 15" toughened glass screen.
- Text and Images can be uploaded to a single, group or to all notice boards.
- Supports JPEG, PNG, GIF and WEBP image types
- Optional RSS feed giving live news updates.
- Robust British designed specifically for UK housing providers.
